Mary Brogan, has been mentioned as a wife of John. This is not true. Mary Brogan is a daughter of a Margaret Cahill and Peter Brogam.

Theresa is found in 1900 census in Nebraska but no John listed, Theresa is listed as widowed; but John & Theresa are found buried in the Catholic Church in Wisner, Nebraska; John's death listed as 1902 and Theresa's death listed as 1913.

A Mary Brogan is listed as deceased in 1902 buried in Elmwood Cemetery in DeWitt, Clinton, Iowa, USA.

There were two Brogan sisters living in DeWitt in the 1930s that were said to be relatives. However, Cousin Gwendolyn states in a letter that Thomas' parents were John Hanrahan & Mary Brogan. Not True, they are John Hanrahan & Therese Mckee. Also, a Mary Brogan lived on a neighboring farm in 1880 and evidence indicates her husband died in 1890.

Generation 1

Ulster is the northerly province of the island of Ireland. Encompassing the counties of Donegal, Cavan, Monaghan, Fermanagh, Tyrone, Derry, Antrim, Down and Armagh, Ulster was originally known by the Celtic name of Ulaid (Ulster in English). The earliest written sources about the history of Ulster date back to the 7th century.

County Armagh, historically, was the ecclesiastical centre of Ireland for some 1,500 years. Derived from the Irish 'Ard Mhacha' referring to the legendary Queen Mhacha, who is said to have built Fort Navan (Emain Macha). Evidence of sacred sites and burial grounds are abundant in the region. Once the ancient seat of Kings, Navan, to the west of Armagh town, was the earliest capital of Ulster. It is a site of unparalleled importance, which reflects over 7,500 years of evolution. The Irish King, Brian Boru, is buried in Armagh cathedral.

Most census records indicate birth location as "Ireland (Irish Free State)".

Anna Johnston is named in the 1933 Obituary of brother Thomas Hanrahan and in the 1945 Obituary of brother Michael Hanrahan. Both Obituaries state "...of Fort Smith, (Sebastian County), Arkansas...".

While the name Johnson is used in the Obituaries, after searching the Census, the name Anna Johnston is found. This is believed the correct individual because in 1910, her mother, "Teresia" Hanrahan is found listed in the Census living with the family. All other information matches possible family information. Additionally, the Hanrahan family is found in a listing of the 1885 Iowa Census with an Anna Hanrahan, age 24, living with the family found in the town of Westside, Crawford Co., Iowa. Therefore, the listing presented here is believed to be the correct family of the Anna "Johnson" noted in the obituaries of her brothers as stated above.

Based on most Census, it appears her birth year is 1864; however, some census years are not consistant with identifying the exact year. In 1900 census it has July 1864 but is hard to read. however, death certificate state July 1862 as noted in this record.

1940 Census Line 30 of Page 61A. She is Living with the Vernon family listed as Grandmother.

Per Death Certificate, she lived in Arkansas for 40 years, which means her and family moved from Iowa to Arkansas about 1908. Her son L. L. Johnston is listed as the informant on the death certificate.

The death certificate list "Shebance", Illinois as birth place. However, this town is not found at this time but
Descendants of John Hanrahan

Generation 2 (con't)

the town of Chebanse, Iroquois County, Illinois is found and closely resembles the name on the death certificate. Chebanse is on the boarder of Iroquois and Kankakee counties (the Kankakee county is where her brother Thomas is listed as born).

In the 1880 census an Anna Hanrahan is found on Page 47, line 18. Listed with a family as a servant aged 20. Living in Chebanese, Iroquois, Illinois.

George A. Johnston Sr. and Anna Loretta Hanrahan had the following children:

i. RACHAEL T. JR. JOHNSTON (daughter of George A. Johnston Sr. and Anna Loretta Hanrahan) was born in Nov 1886 in DeWitt, Clinton, iA, USA. She married Leo A. Eisert on 18 Feb 1909 in Fort Smith, Sabestian, Arkansas. He was born about 1879 in Pennsylvania, USA.

Notes for Leo A. Eisert:
In 1930 census, Anna's mother is listed a proprietor of a Grocery Store.

After marriage, they must have moved to Pennsylvania as they are found there in 1910. In 1920, they are found in Arkansas with Leo working as a "Merchant" in Grocery business, same business her parents were doing in 1910; possible taking over business from Racheal's parents as in 1920 census, Racheal's parents listed occupation as none. They are living only a few houses from Racheal's parents in 1920.

In 1930, Leo is listed a son-in-law, as they are living with Rachael's mother Anna. No children are listed of Racheal and Leo in 1910, 1920, or 1930.

ii. RUTH A. JOHNSTON (daughter of George A. Johnston Sr. and Anna Loretta Hanrahan) was born in Nov 1892 in DeWitt, Clinton, iA, USA. She married Benjamin F. Meister on 15 Sep 1914 in Fort Smith, Sabestian, Arkansas. He was born about 1888 in Missouri, USA.

Notes for Ruth A. Johnston:
Based on clear printing of 1930 census, middle initial shows "A".

iii. GEORGE A. JOHNSTON JR. (son of George A. Johnston Sr. and Anna Loretta Hanrahan) was born in Aug 1894 in DeWitt, Clinton, iA, USA.

iv. FRANCIS JOHNSTON (son of George A. Johnston Sr. and Anna Loretta Hanrahan) was born in Feb 1897 in DeWitt, Clinton, Iowa, USA.

6. v. THOMAS LEO JOHNSTON (son of George A. Johnston Sr. and Anna Loretta Hanrahan). He died on 21 May 1973 in Arkansas. He married Berneitta Merrill on 01 Feb 1919 in Fort Smith, Sabestian, Arkansas. She was born about 1898 in Arkansas. She died in Apr 1951.

3. THOMAS JOHN SR. HANRAHAN (John1) was born on 04 Jul 1864 in Kankakee, Kankakee, IL, US. He died on 19 Apr 1933 in DeWitt, Clinton, Iowa, USA. He married Anna Maria Cahill (daughter of Patrick J. Cahill Sr. and Hannah Quigley) on 28 Jan 1891 in Villanova, Clinton, Iowa, US. She was born on 12 Dec 1865 in Villanova, Clinton, Iowa, US. She died on 07 Jul 1943 in DeWitt, Clinton, IA, USA.

Notes for Thomas John Hanrahan Sr:

A 1900 census report has the family listed living in Wisner, Nebraska. Thomas is listed as a Farmer renting his home. This census report confirms information listed on the family group sheet for children and birth dates of month and year along with birth locations by State of Country.

Obituary of Son Thomas states they moved to Iowa locating on a farm near Villa Nova, Clinton, IA. And family is found in 1880 census in this location. In 1885 Iowa state census, the family is found living in Westside, Crawford, Iowa. Crawford County, Iowa is located north west of Des Moines about 35 miles
Notes for Anna Maria Cahill:

According to a 1900 & 1880 census report the name of Maria is listed as Thomas' wife. Other reports received had the name as Mariah. Grandchildren of William F. Hanrahan (Maria's son) had known her name to be Mariah.

Possible the name may be Maria Ann. It is believed her name is Maria but she used the name Mariah.

Also on that 1900 census report, she had 4 children but only 3 were living at the time of the census. This indicates a child born and had died. Census reports they were married for 9 years indicating the oldest child died as an infant.

Obituary notice listed mentioned all the children that included the name of the oldest child that died as an infant. She had 6 children, of which 2 died in their early youth.

Obituary April 20, 1933 in DeWitt Observer states Son Thomas was one of 13 children of John Hanrahan & Theresa Mckee

An obituary states Thomas lived in DeWitt for 32 years, he died in 1933, this means they moved back to DeWitt about 1901 but a 1910 census reports daughter Margaret was born in Nebraska in 11/1904. May be possible he returned to DeWitt first to establish a home and returned to Nebraska to bring his family back to DeWitt, or the birth location noted in reports of daughter Margaret is not correct.

Notes for Gwendolyn J. Harper:
Gwendolyn spent her childhood living with her Grandparents.

Her husband Lawlor was a farmer for many years. During this time, Gwendolyn was a devote housewife, mother and supporter of the farm activities. Her cooking talents and great table offerings helped provide the daily meals that not only feed the family, but was the primary meal for the farm hands that came to help during the harvesting season. She would help with the care and feeding of the immediate farm animals in the surrounding barnyards, but the field work was left to Lawlor and his helpers.

After her husband Lawlor retired, she continued being the great housewife and cook, enjoying her grand children and becoming a devout golfer. Along with her husband, they joined the local DeWitt Golf Course Country Club. She and Lawlor spent every day attending to a round of golf; and in addition, they supported the many activities associated with the Country Club.

She died on 22 Mar 2006 in San Diego, San Diego County, California, United States of America.

    ii. KERRY LAURENCE HANRAHAN (son of Robert Kent Hanrahan Sr. and Beulah May Laurence) was born on 15 Jul 1953 in San Jose, Santa Clara, California, USA.

Notes for Kerry Laurence Hanrahan:
Kerry grew up in San Jose, California graduating from Mt Pleasant High School in the Alum Rock School District. After high school he enrolled in De Anza College. He had goals of becoming a oceanographer, but later changed to geology. During this time, he lived in Sunnyvale Ca.

In 1973 he went to San Diego, California to attend college. There he enrolled in San Diego City College taking astronomy courses. His goal was to be an Astro-Geologist with aspirations to become a scientist to fly on a space shuttle and possible planetary exploration. However he felt he needed to serve his country and joined the Navy in 1976. After a 2 months, he decided the Navy was not offering best rewards for his career advancement.

He left the Navy in July of '76 and found various jobs while he began learning the computer industry. He took courses at ITT. However this did not satisfy his needs and began a search for his quest in life. During this time, he found a job at a local Ford dealer that provided the necessary means to survive. However, after eight years of pounding the same path without great motivation, he left that job and began one-year sabbatical.

He then began searching for a job to find a rewarding opportunity. He is now working with a large corporate over-night delivery service. After some training and 1 and 1/2 years experience, he was promoted to Supervisor. He has been at this job for the last five years and is enjoying a rewarding experience.

However, he has enjoyed his acquaintance with his computer knowledge and skills and continues to work with his home computer system and enhancing his ability to be a skillful computer enthusiast. Today Kerry has found enjoyment in finding about family in genealogy study and has located names going back to early 1100's on his mother's side of the family. He has enjoyed a great time helping his dad with new programs and sending emails in this technology age. He has maintained a relationship Beatriz Sanchez Sarmiento and they will wed soon. Kerry has grown to be a great young man and enjoys life in his current home in the San Diego area.

1945-1953: Davenport, Iowa 1643 West 15th Street. John was an adventurer and had many friends about the neighborhood. He played with all those kids and was most time late in getting home. His dad would come looking for John and If John didn't sneak around his dad and get home, he would always get a whipping from his daddy. John was just having fun and never wanted to give up on his many activities. From the east end of the block to the west, the street had a natural fall and this is where he learned to ride his sister bicycle. One day, after many tries, John was able to control and steer the bike on two wheels, from then on, he was a bicycle rider. Many times sneaking the bicycle off where Mom and Dad did not know.

In the winter, snow would cover the ground and the houses on the street were at different levels to the street. This provided 3 levels of hills to enjoy the snow. Using snow sleds and some with skis or other type snow riding device, the neighborhood was always having fun in the snow. Many a snowball fights were had in good fun. Building snowmen, snow forts and many other snow activities were the target of those winter days. Even going to a nearby park to snow sled on steep hills that were two and three blocks long for a big ride.

In the summer time, John's dad would plant a huge vegetable garden and mom was a canner. Dad raised dogs so trips to dog shows and many new puppies were always on the agenda. Family and friends would come to the house to enjoy get together and enjoy the large yard area acceptable for such occasions.

One of John's best friends was Steven Drish who lived across the street. After 45 years in 1998, via Email, John was contacted by Steven and they had a brief meeting in Sunnyvale and continued to correspond via Email. Steven was now a consultant and living in the Berkeley Hills area near Oakland, California.

When a local fire station came to division street (a hill) to drain, clean and roll up hoses, John would be there to help them. If he went by the fire station, they would by him an ice cream cone.
